PORCELAIN | HEAVY DUTY FULL BODY |
CERAMIC WALL AND FLOOR TILES

Who are we?

Founded by a passionate team of enthusiasts with more than 20 years of experience in the field of Porcelain and Ceramic tiles market, we, **The Tile Experts Trading LLC**, wish to take up the challenge of building an organized import pathway in the UAE building market, for Tiles consisting of Porcelain and Ceramic and related accessories. The members in our team have been associated with the top tile manufacturers in the UAE and have expertise and vast experience in marketing and sales in all B2B and B2C channels of the realm.

We are proud of our strengths, our experience, and our thorough knowledge of our field of expertise. Understanding the pulse of the market and the trends of change, we strive to identify the needs of our valuable clients with regards to tiles for floors, walls, outdoors and facades. We promise meeting timelines in sample submissions for your prestigious projects and delivering the products on time with the assurance of the best honest support for sales and after sales services.

Wishing to collaborate with you in your projects now and in the future for a mutually beneficial, lasting business relationship,

Our Thoughts

The concept, aesthetics and designs of floor and wall tiles are changing day by day at a pace hard to keep up with - both locally and globally. We, **The Tile Experts**, are here to help you understand the trends and to keep you up to speed with the ever-changing requirements in the construction market.

We are here to place ourselves in a space that will help us to use our experience and expertise to create a responsible import channel, representing reputed international overseas brands in the UAE market environment. This, we know, will certainly instil more confidence in the buyers regarding their sales and after sales experience. With this vision, we are now happy and proud to introduce one of the best rated manufacturing brands from India, The **L Group** to the UAE Market space!

Mission

To provide the best quality ceramic and porcelain tiles, sourced from the top end manufacturers around the globe.

To provide sales and after sales services to our clientele of builders, contractors, consultant engineers, interior designers and individual project owners at / above par with the best standards in the industry.

To focus on matching the best quality parameters for the products we provide.

To motivate ourselves as a team to keep abreast with the changing market tastes and requirements, move in line with the trends and to update our inventory accordingly.

To always strive to maintain a mutually beneficial and strong relationship with all our clients, trade partners, stakeholders, employees and the society at large.

Vision

To be successful in our mission and to be counted among the top trading companies of building materials in the Middle East in terms of quality of service, customer satisfaction and economic profitability to the stakeholders, maintaining our integrity and ensuring reliability.

Work with us, and you will work with seasoned professionals - vigilant of deadlines, and committed to exceeding client expectations. WE ARE EASY TO WORK WITH.

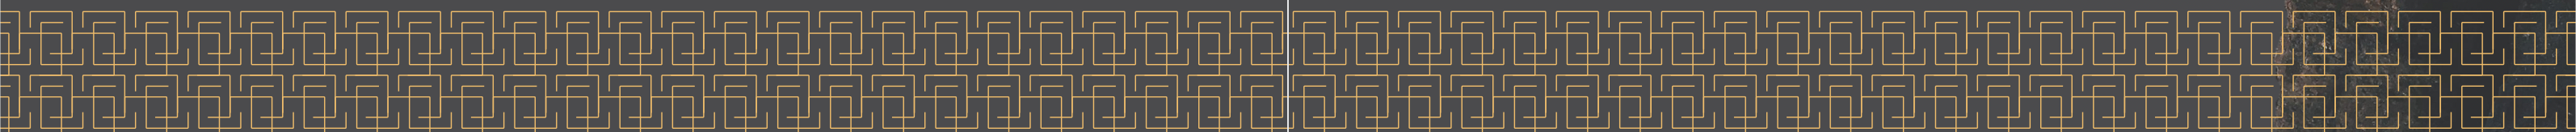

Kindly read below the 10 reasons to love and choose us for your work:

1. High quality tiles, which adhere to strict quality parameters in accordance with ISO 10545-1 to 15
2. Representation of a factory with more than 100,000 m2 per day production capacity
3. Sample submission within 2 days for our standard products and 10-14 days for customized product
4. Fast delivery schedules within 30-35 days of order confirmation
5. Customization of any design, as per your choice (MOQ Required)
6. Experts only Team: Highly experienced management team with more than 20 years in UAE Construction market, supported by responsive and reliable sales and support staff
7. Capable of producing any size available in the industry
8. Competitive and fair pricings
9. Attention to details
10. Reachable any time, round the clock

Company Values
